Sub- Submission of Manuscript for Publication

Dear Publisher,

I/we are sending herewith manuscript to be considered for publication in your journal.

I/we declare that-

- I/we have read carefully the Publication Ethics (<http://www.journal-advances-developmental-research.com/publication-ethics/>) and Information for Contributors (<http://www.journal-advances-developmental-research.com/information-for-contributors/>) of your journal and we accept the terms and conditions of publication.
- I/we have prepared the manuscript as per the format of your journal.
- I/we accept all the responsibility as authors and corresponding author described in Publication Ethics.
- I/we have obtained all the necessary permissions in written from the original author and publisher (in case of use of previously published matter elsewhere or in this journal in current manuscript) and are attached with the submitted manuscript.
- I/we declare that the study has been conducted as per the rules and regulations of ethical standards of the country/countries where the research described in the present article has been conducted (in case of animals and/or humans are being used as subjects in current study) and as authors, we take full responsibility in this matter.
